Dear Parents/Guardians:

Due to the current situation, and in order to contain the crisis and work for the best interest of our young learners, an amount of differentiated activities, skills, stories, and projects will be sent home through eschool to keep kids on track and follow up on their learning progress.

Kindly set a clear daily schedule which can fit your own everyday commitments (e.g. 10:00am-12:00pm, 3:00pm-5:00pm, etc...) to allow your children/wards some assigned time each day to sit and go over their activities as if they were in class. Story reading discussions will be conducted each and every day at your own good pace. Projects sent home via eschool will be presented back in class and shared with peers. For that purpose, children should practice expressing themselves out loud, confidently and clearly, with extended simple sentences and rich vocabulary.

KG3 learners in particular will receive their own activities and projects both in Arabic and English subjects in addition to their daily Reading Eggs continuous levels.

Please make sure you read with your children/wards for half an hour every day as well as share and model extensive literacy and numerals to enhance their skills and concepts.

The phone numbers of your children's/wards' homeroom teachers will be available for your access at appropriate times. Please feel free to contact us whenever needed.

Thank you for all your care and consideration regarding this critical time of our country and, most importantly, thank you for your crucial collaboration.

Keep safe and healthy and hope to see you all soon.

Sincerely,

Preschool Administration
