

The mission of LWIS-City International School is to create a nurturing environment where students, faculty, and families work together to develop academic excellence, ethical behavior, and personal responsibility.

Guided by our values, Respect, Responsibility, and Relationship, and by the promotion of lifelong learning, LWIS-City International School will honor the special gifts in every child and support all learners.

Within the safe and flexible learning environment, our mission culminates in guiding children toward achieving their maximum potential and becoming meaningful contributors to an ever-diverse international society.

To achieve this, we offer a diverse and challenging curriculum with multi-level standards and a wide variety of choices, delivered by a qualified and experienced staff that leads by example.

“we measure success one happy learner at a time”

The vision of LWIS-City International School is to cater to all learners regardless of their social, ethnic, or academic backgrounds or abilities.

Our goal is to motivate students to become independent, analytical thinkers, problem solvers, inquirers, responsible, ethical adults, good communicators, reflective, and technologically able researchers.

We also aim for our graduates to be self-confident, tolerant, and productive members of society.
