Good morning!

“Embrace each challenge in your life as an opportunity for self-transformation.” ~ Bernie S. Siegel

I hope you had a relaxing and enjoyable break and are now ready for the last weeks of the year.

We have received the IB evaluation report. As expected, the report sighted many of our program strengths and recognized that our implementation of the program shows commitment and achievement of the IB mission, philosophy and practice.

Thank you to all the parents and students who have participated in the evaluation visit and to the entire IBDP team and school staff for their tremendous work and effort. Congratulations, LWIS-CIS!
