SAFETY AND SECURITY

- For the safety and security of our students, visitors to LWIS-CiS will only be allowed to school if they have a pre-arranged appointment. Visitors who do not have an appointment will have to wait at the gate to arrange for clearance. This could take time and, possibly, they will be denied entrance. Hence, if you wish to visit the school or wish to talk to teachers or administrators, make an appointment to avoid delay or disappointment.
- At the end of the day, the school gates will be closed until all school buses depart. Only parents/guardians of Preschool students will be allowed into the school after the departure of the buses. No other parent/guardian will be allowed in unless he/she has a clearance from the administration.
